Some information:

- This is the last outing for the marching band, make it great!
- Remember to bring everything you need (you know...)
- Bring \$\$\$ for food in the evening. We are eating at 3:00pm but you will probably need something else later.
- Ask you friend and parents and other family to attend. We want a large friendly crowd yelling for us in the stands
- As always, remember who you are and who you are representing
- Be proud, play loud!
