Some information for you:

- This is another early day. Please get some rest Friday night so you are energized for Saturday.
- We will load Friday night so you don't have to get here any earlier than we have designated. If you are unable to load your own equipment, make sure someone else loads it for you. ASK them and be 100% sure it is getting done.
- You will need to bring everything you need for performances: (check them off)

INSTRUMENT	FLAG
UNIFORM	AIR BLADE
GLOVES(both colors)	MAKEUP/HAIRSPRAY (for guard)
SHOES	OVERLAY (for guard)
LONG BLACK SOCKS	\$\$\$ FOR MEALS/SACK LUNCH
- Things move fast on this day. Be ready to move when asked.
- Bring \$\$\$ for snacks. Also, plan ahead for the lunch break. We will try to arrange for food at Pawnee Park so we can just go there and avoid the rush at the fast food places.
- As always, you are representing our band, our school, and our community. Make sure your actions shine well upon who you are.
- Be proud, play loud!
